[På svenska](#) [Copy link](#)

Trio Bergovajk consists of cellist Vigovajk Sagvik, pianist Herman Pellbäck, and clarinetist Benjamin Vincent Gillis, who are all students at Lilla Akademiens Musikgymnasium. The trio formed in autumn 2021, but the idea was born earlier in the spring, upon playing classmate Milosz Krawczyk's piece Wycinanki for clarinet trio. Trio Bergovajk performs familiar pieces by classical masters, as well as pieces by a younger generation of composers – for example, music composed by the trio's cellist Vigovajk Sagvik.

TRIO BERGOVAJK
Klassisk och nyare musik med cello, piano och klarinet.

Trio Bergovajk består av cellisten Vigovajk Sagvik, pianisten Herman Pellbäck och klarinettisten Benjamin Vincent Gillis, alla elever från Lilla Akademiens Musikgymnasium. Trion bildades hösten 2021, men idén föddes tidigare på våren sedan man tillsammans spelat studiekamraten Milosz Krawczyks verk Wycinanki för klarinettrio. Trio Bergovajk spelar såväl kända verk av den klassiska musikens mästare som verk av den unga generationens tonsättare – till exempel musik komponerad av trios cellist Vigovajk Sagvik.
